St. Luke School
425 E. 38th St.
814.825.7105

January 12, 2017

Dear Parents and Guardians,

Please find attached a re-registration form for schools in the Erie Catholic School System (Erie Catholic).

If your child is currently enrolled in one of our campus schools, Blessed Sacrament, Our Lady of Peace, Our Lady's Christian (to be called St. Jude in the fall of 2017), St. George, St. James or St. Luke, all you have to do is fill out this form and return it to your school office. This year, we are also requiring a \$50 per family registration fee that we will apply to your tuition next year. The deadline to return your form and payment is February 24, 2017.

If your child is enrolled at Our Lady of Mount Carmel, St. Boniface, or Villa Maria Elementary – welcome!!! We ask that you fill out this form and return it to your school office. We also ask you to complete a registration packet (available in your school office) and return all completed paperwork, along with a \$50 registration fee (check made payable to the school of your choice), to the school in which you are enrolling.

Please know that in each of our schools, we have identified parent teams who are willing to speak to you personally about any questions you might have and help your family's transition to a new school.

Information about tuition – rates and payment options – will be forthcoming in the spring. Please remember to complete the STAR application for financial assistance. You can find a copy of the application and more information on the Diocesan website. Go to www.ErieRCD.org and click on the "2017-2018 Tuition Assistance Form" link. Please note, that the due date for families applying for or attending both an Erie Catholic high school AND elementary school is March 1, 2017. If you are applying for or attending an Erie Catholic elementary school ONLY, the deadline is April 17, 2017.

Preschool/PreK families will also find additional information about financial aid through the Children's Scholarship Fund of Pennsylvania at www.csfofpa.org.

We look forward to hearing from you.

Blessings,

Mary Gibson
President
